# Trailer Thefts: Major Problem last 6 Months

## Utility and cargo Trailers

Very difficult to recover

Very few are ever recovered

Not registered

Don't have VIN's--Homemade or very hard to see VIN's. Unable to list N.C.I.C. as stolen with no VIN.

Some Don't need to be registered—Less than 750lbs

# Possible Solutions/Make less accessible and harder to get.

Take Hitch Off if Possible

Park behind fences/garages

Park other vehicles in front of trailer

Multiple locks

# Not good enough

# Better Locks

Nothing 100 %

Suggestions to help protect you  
and your trailer.

Thank You
